## Exploring Roxborough

Past Center City, beyond Fairmount Park and up that quad-busting hill from Manayunk, you'll find a neighborhood where old-school Main Street still exists (even though it's called Ridge Avenue). Roxborough is green for good reason, nestled between the Schuylkill River and Wissahickon Creek. It's the epitome of up-and-coming meets yesteryear, city meets small town. It's also our destination of choice to kick off Night Market 2016. Learn more at [www.roxborough.us](http://www.roxborough.us).

HOST PARTNER: **ROXBOROUGH**  
DEVELOPMENT CORPORATION

## NIGHT MARKET PHILADELPHIA

The Food Trust's Night Market Philadelphia inspires over 90,000 people each year to explore new neighborhoods and enjoy the diverse flavors of the city. Nurturing the growth of the local food economy, supporting local food entrepreneurs and celebrating the joy of food are part of The Food Trust's comprehensive approach to healthy food access. To learn more about The Food Trust, visit [www.thefoodtrust.org](http://www.thefoodtrust.org).
